NOTE FOR PARENTS

Welcome to **Summer Bible Reading Bingo!** This is a resource for preschool and elementary children that will help them read their Bible during the summer and stay connected with God. This resource is designed to help children develop a daily quiet time with God that includes reading their Bible and getting to know God through His Word. It will help them learn how to use their Bible, learn more Bible stories, learn more about God, and will also help them with their reading skills.

What does this include?

This resource includes 4 Summer Bible Reading Bingo cards. Each age group (preschool and elementary) has 2 Summer Bible Reading Bingo cards. Each card is meant to last for a month. One month kids will read Old Testament Scriptures and the other month they will read New Testament Scriptures.

Preschool Bingo Cards

In each Bingo square for preschoolers, you will find a title of a Bible story. These titles match the ones found in the *Beginner's Bible* by Zonderkidz (if you don't own this Bible, you can use any preschool Bible. I have also included the Scripture it comes from in the space as well). Parents will read a Bible story to their child each day.

Elementary Bingo Cards

In each Bingo square for elementary kids (K-5th grade or 5-years - 11-years), you will find a Bible verse and a title that tells what the verses are about. Kids can open their Bibles, find the verses, and read them by themselves or with a parent.

NOTE FOR PARENTS

How does this work?

The idea is to help children open their Bible every day and read a little about God (or have parents read them one of the Bible stories). Each time they read a Bible story, they will put a sticker on that space (or you can mark through that space with an X). When they have bingoed (which is 5 across, 5 down, or 5 diagonally), they can receive a small prize. At the end of the month, if they have filled up the whole card, they can have a chance to win a bigger prize.

What kind of prizes should kids get?

I would suggest small prizes for each time they bingo. Things like: a piece of candy, dollar store prize, ice cream treat, a free night off from chores, bookmarks, picture books, coloring books and crayons, stickers, etc. At the end of the month, if they fill up their bingo card, then I would give them a bigger prize. This could be things like: big toy, dolls, video games, 1 week with no chores, more screen time, etc.

How many Bible stories can they read a day?

They can always read as much of the Bible as they want each day. However, for this game, I suggest only reading one Bible story a day (which means only marking off one Bingo square each day). This is to help children develop a **daily** quiet time with God and a **daily** habit of reading His Word.

I pray this resource will help your child find a LOVE of spending time with God and reading His Word. May God bless you and your children as you take time to be with God this summer!
