## **Welcome Guest - Donald Coles**

Donald Coles has been a musician for many years. His father bought him his first guitar from Woolworths at a very young age (which he still owns) and has been playing guitar ever since. His singing ability came from singing with different choirs, churches and schools and then he decided to blend them together. He has performed and traveled with different bands, several duos and has done solo performances. The genres have ranged from pop, rhythm and blues, jazz, bluegrass and gospel.

Since his retirement, he has devoted a lot of time to his passion of music through the church and special events along with performing with a cappella men's group.
