- Every day is an opportunity.

If today were my last...

- Would I serve?
- Would I tell someone about Jesus?
- Would I waste today?

Invest in eternity.

CONCLUSION

Because of Christ:

- Our sins are forgiven.
- Our days have eternal purpose.
- Death is not the end.
- Eternal life begins now for those who trust Him.

The question is not only **how long** we live, but **whose** we live for.
